

First Reconciliation and First Communion Information

Sacramental Preparation for first and second grades: First and second grade sacramental preparation is a two-year religious education process. The first-year religious preparation needs to be completed to receive Reconciliation and First Communion in the second year. If your child is entering second grade with **NO** religious education, you will need to register them as a first-grade student.

First Reconciliation and First Communion classes begin Wednesday, January 6, 2021 from 6:30-7:30pm

All students must be registered for our CCD program by Sunday, September 27th.

Any family with children enrolled in our CCD program **MUST BE** registered parishioners of St. Mary of the Angel's.
